SUMMARY

Motivated front-end web developer with a strong foundation in critical thinking, problem-solving, and self-learning. Completed Higher Secondary Certificate in Humanities, blending creativity with technical and analytical skills. Passionate about building user-friendly, responsive web applications and continuously learning new technologies. Proficient in MS Word, Excel, PowerPoint, and computer fundamentals.

DEVELOPMENT EXPERIENCE

Built multiple front-end projects using modern technologies such as React, Tailwind CSS, and Next.js. Focused on responsive UI, clean code, and Git-based version control. All projects are available on [GitHub](#).
